

Miss National US

You are allowed and able to compete in other pageant systems while holding the MNUS national title. If you are chosen as the national winner however, we do expect you to still represent MNUS by following these expectations:

If you are chosen as a state or national title holder for another pageant system and they require you via contract to only represent that title, please inform MNUS National director (Tausha) as soon as possible so we can discuss how to go forward.

Follow & like all social media platforms for MNUS Pageant as well as all the age division individual social media platforms (facebook & instagram) this is all your sister queens!

As the national title holder for your division, you will be awarded 5% of the pageant’s earnings. Added to that 5% will be an additional \$100 based on each girl who is competing in your division, but not including yourself. *For example if you are in a division with 4 girls total, including yourself, you as the winner will receive \$300 plus 5% of the total amount the pageant earns. (the amount the pageant earns is based off the total amount of contestants that have entered the pageant in all of the divisions) if you were the only contestant there will not be a cash scholarship awarded.*

You will receive your crown and banner in one package that the national office will pay for (US shipping only) along with as many of your sponsored prizes. There may be some prizes that will be shipped separately, directly from the sponsor themselves later on throughout the year.

*Although there is no official contract with this title, I, Tausha Ziebart, as the national director and owner of the system, can strip the title (crown and banner to be returned to the national office upon your own cost) from you as the constant chosen by the judges, if I feel you are unfit or not representing the system with integrity or you are not following the guidelines agreed to above.
